

GREAT CHRISTMAS GIFTS FOR ALL THE FAMILY

Here at Gone Crabbing we create gifts for everyone to enjoy. We have fun T-shirts and cosy hoodies for babies through to adults, a great choice of tea towels, aprons and oven gloves for Mum and Gran and for all those men out there, why not try one of our 'Don't be Crabby' hoodies!

If you're looking for new ideas and stocking fillers, our cheerful mugs and generously sized beach towels make lovely presents for anyone special – and don't miss our new arrival – a beautiful, solid silver 'crab' pendant and chain. Prices start at just £1 for our colourful badges.

Our bright, quirky and totally unique giftware and clothing range reflects all the energy and fun of our great British seaside – especially those happy hours spent crabbing on local quaysides. The Norfolk designs are always popular with visitors and many locals too! Now the company has grown, we've brought in some generic designs which are being sold in other busy coastal resorts around the UK. We even have a few overseas customers - it's exciting to think that our little Norfolk crab is trotting around the globe!

Gone Crabbing has its roots firmly in Norfolk – this is where it all began four years ago, and we have some great products coming next year. See www.gonecrabbing.co.uk for stockists, or pop along to our new shop at Dalegate Market, Burnham Deepdale.
