Susie says: "Have fun but be warned, not everything is as it seems." There is a shellfish theme and some clues (not in the right order).

POTTER AND DIBBLE

The new retail outlet in Dersingham committed to sourcing and selling the best of local design and craftwork has generously offered a prize of a RHS handbag, normally priced £35, to the sender of the first correct entry drawn. To enter, use the letters in "Potter and Dibble" to make 20 things that a shop might sell – which could include petrol and tripe! They must all have four or more letters and a letter must not be used in a word more times than it appears in "Potter and Dibble". Good luck!

MY FAIR LADY CAPTION COMPETITION

Use your skill and judgement to decide what Professor 'Iggins is saying to Eliza – or what Eliza is thinking – in a scene from King's Lynn Operatic and Dramatic Society's smash-hit production of My Fair Lady. A mystery prize will be sent to the sender of the entry judged most amusing by the My Fair Lady judging panel.

LANGHAM GLASSAGRAM

Langham Glass is home to Paul Miller and his team of master glassmakers whose individually crafted glass pieces are sold to customers all over the world. A prize of an item of Langham Glass will be awarded to the sender of the first correct entry in our Langham Glassagram competition. At the Langham Glass party to celebrate the launch of its limited edition Promotion Canary, the wine list became somewhat muddled. Can you find the 10 wines?
